

Ranger Transport Chair, RA010-L-CC

Brand: Staxi

Item#: SXRA010-L-CC

Dimensions: L39" x W31" x H41" (back height)

Weight Capacity: 880-lbs.

The Ranger chair model (pictured here with Comfort Cushion) delivers a sturdy, stable - not to mention comfortable - ride for both the occupant and the operator.

- * 800-lb. weight capacity
- * Casters: 5" (127mm), urethane, sealed bearing, non-marring
- * Arm rests: Steel oval tubing covered in a non-porous sleeve, lift for easy transfer
- * Frame: Formed oval tubing, specially formulated, anti-microbial paint, mar-resistant
- * Footrests: Steel, non-removable, lifts for comfort
- * Wheels: 2 1/8" (54mm) composite wheel, 8" (203mm) diameter, non-marring
- * Brake: Automatic, fail safe ratchet
- * Cushion: PU coated, fire retardant and anti-microbial

Available in Blue as pictured, or in Red or Diamond Black.

Other additions available separately that do not come standard with RA010-L-CC include: Side Mounted Oxygen Tank Holder (ST078), Rear Mounted Oxygen Tank Holder (ST080), Regular Cushion (ST060), and Retractable Seat Belt (ST088).
